

HOUSE COMMITTEE MINUTES of 3 Dec 2016

Purpose: To address facility issues with final vote by Executive Board & membership.

Due to the luncheon for the San Diego Mustang Club in preparation for Santa at the Ship and to receive the presents, a formal meeting was not held. Rather, the organizations separately met with Lenny to decide on the menu for January 2017. Jack Porath continues the efforts to complete the pending items as discussed in the November House Committee Meeting and those later found that impacts the facility.
