

APRIL BULLETIN

First quarter of the year is in the books and we are that much closer to Christmas break. Here are a couple dates you may want to mark on your calendar for future dining plans.

April 7th with only 2 Fridays left in Lent we are having a breaded fish dinner accompanied with a wine raffle, all dinners sold will receive a raffle ticket for 1 of 10 bottles of wine.

The drawing will take place by our Commander in Chief Donald Trump, in the event he is unable to host and attend the drawing our own Capt. Jack Porath will be our stand in MC. Right after dinner is served he will start the raffle... Good Luck!!!

And as I spoke of last bulletin, April 14th we are having baked salmon for Good Friday... Come in and enjoy our Friday Lent menus!!!

As you can see on the calendar April 9th VFW & Legion AUX will be having a breakfast in the main hall from 9:00am to 11:30am. It is a limited menu with a \$10.00 donation, Stop by and give them your support.

April 22nd the VFW/MC is having their annual Poker Tournament Fundraiser for all the charities they support at years end. As I'm sure everyone remembers when we put the new roof and A/C units in they were the first ones to give us a check for \$3,500.00, the bulletins and tickets will be going up in the Canteen shortly so keep your eyes open, it is a fun event with many prizes and limited seating so get in quick...

Pay close attention to bulletins in the upcoming weeks for possible specialty dinners & events in our Canteen.

Thank you to the members who have donated to help with our upcoming taxes it is greatly appreciated!!! if anyone else would like to donate please see me or the bartender in the Canteen every bit helps...

I'm sure by now everyone has turned their clocks forward even if their body hasn't caught up yet, and by the looks of some they are still on last years time adjustment, well fear not... the solution is simple, stop down and have a few totties in the Canteen and catch a sporting event or two on the big screen TV's and when you wake up in the morning everything will be in sync for you. If things are a little fuzzy take an aspirin, all will be well...

A BIG THANK YOU to Roger Rotter, Bob Marlow & Kurt Dose for putting in our pump system to help alleviate flooding in the pool room during excess rain, god bless you all, you are truly doing the lords work during the season of lent!!!

Big reminder that baseball season begins the first week of April. We may not have a football team anymore, but our Padres are tied for first place so lets get behind them and show our support, you never know how long it will last. Also on an upbeat final note, football season begins in just 5 months!!!!

Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
