

February Bulletin

Unbelievable, the first month of the year is already in the books and here we go into February ... Which brings up SUPERBOWL! ! ! Sunday February 5th is the biggest game of the year!!! we will have lots of food and raffles and drink specials during the game ... Come enjoy a great afternoon of football with family and friends starting at 1 :30PM ... You will want to be here early to get in on some of our special deals that will be going to the first to arrive ...

ALSO in February, on the 11th we will be having our Valentines Dinner/Dance Fundraiser in the main hall. Tickets are available in the Canteen get yours before they run out, we will be Shopping on the 9th so that will be the last day for ticket sales, we will not be selling them at the door so we can purchase food for the tickets sold instead of overbuying and winding up throwing food (money) away. It is a fundraiser so if you can't attend and wish to donate to help support the Post please see the bartender or Lenny to insure it is going to the Valentines Fundraiser, your generosity is greatly appreciated!!!!!!!

We are searching for a taco team on Wednesdays, there are a few people kicking around the idea to see if they would be able to do it every week or not, thank you for your patience. If you may be interested please see myself or Jack.

During the unbelievable amount of rain and a crack in the comer we experienced our "Once in a Decade Flood" our resident excavator Mr. Roger Rotter is confident in a permanent fix come spring, We will be having a "Patch our Crack" fundraiser dinner sometime in April.

I would like to thank a couple people who went out of their way to insure we weren't needing to build an ark, Steve Jones showed up at our door Saturday morning with a wetvac and mop in hand announcing "reinforcements have arrived" also Guy Dunham who brought in the Big Boy Sucker and stood guard in the pool room over and over again so I was able to leave, and Eunice Perry who was here on several nights till 1 :00am and 2:00am helping me keep up with the night-time downpours. Thank you again, I appreciate your help and dedication!!

Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
