

## JANUARY BULLETIN

Here we go starting another year, I can't believe it is less than 357 days till Christmas! ! !

Football is winding down, and even though the chargers were nothing to cheer for this year the playoffs are always interesting ... We have all the games in the Canteen and when Super Bowl comes into play on February 5th so will the snacks and raffles. The party starts at 1 :30pm on Sunday the 5th with the game kicking off at 3:25pm, you wont want to miss the pre-game A LOT of things happen in a short time before the most popular game in the country is played!!!

Hope everyone had a good holiday season and are ready for what we are sure will be a great new year! Petee & Eva, our treasured friends, will be moving to the frozen tundra later in the year so we no longer have Eva's Taco Emporium .... beginning January 11th we will turn a new page and bring in Esteban's Enchilada Extravaganza!!! We will be offering a plate with enchiladas beans and Spanish rice for a small fee which will be growing into more selections as the season moves forward. Give it a try, you won't be sorry.

There are many things in the works so it is important to keep your eye on the bulletin board and table tents for possible upcoming hall events, specialty meals and guest performers for our Friday dinners. It is very difficult during the holidays to nail down different events when everyone is living day by day with their own parties and family rolling in and out like you are operating some kind of way-station for relatives but it all starts to come together around the first part of February.

It is hard after the first of the year to immediately plan things till people get situated and adjusted from holiday credit card bills, and the sheer exhaustion of the holidays. I will know in about a week or so about a Valentines Dinner/Dance in the hall on February 11th, Please check table tents and bulletin boards as well as e-mails and word of mouth to get the information.

Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.

Lenny
