

# MARCH BULLETIN

Here we go into the third month of the year already!!!

We all sat down at the house committee and figured out a menu for the season of Lent which is upon us, last year we were told we didn't cover that well enough for our church members and we promised to try harder, so here it is... everything from veggie lasagna and baked fish to broccoli Alfredo and eggplant parmigiano. We are all hopeful you enjoy our choices.

Speaking of food Tacos are back in the swing!!!!!! Tacos with Heather is every Wednesday at 11:30am til 1:30pm, come say hi and welcome her aboard, you won't be disappointed!!! For those of you that haven't heard we had lost two very key people last month who were responsible for helping to keep the doors open here. Danny Griffith who was our go to plumber and had taken care of more major problems in this facility then anyone will ever know. I can honestly say that without his ongoing contributions in the early years of me starting here, this place would have been forced to close its doors no question about it!!! And Alex Armenta, who was my first call for Friday night entertainment in the Canteen when I started 12+ years ago. They will surely be missed, both personally and professionally. Tip a glass to 2 great guys who looked at the bigger picture and wanted to do something for our Organization rather than look out for just themselves, truly a class act!!!! Don't forget on the 12<sup>th</sup> of March we will be springing our clocks forward because most of us aren't confused enough as it is.

Mark on your calenders for April 14<sup>th</sup> in the Canteen I will be having Baked Salmon with a cream dill and scallion reduction for good Fridays dinner.

It is that nasty time of year again when the "Tax Man" comes a knockin'. We get hit very hard this time of year with our liquor licenses for up and down stairs, as well as our initial premium for our insurance on the building (WHICH IS UNREAL) and our taxes on our three pieces of property, (the building itself, the monument and Nebo dr.). If by chance there is any room in our members budget to help us out it would be greatly appreciated, please see me for a tax deductible donation slip. I realize times are tight and that is why it is so beneficial to be able to come to a place for entertainment and inexpensive food and drinks. Me & Eunice went to a restaurant in La Mesa two weeks back and had 2 drinks each with a carne asada plate and chili relanos and our bill was \$67.00, we won't talk about our lunch on the beach at Cannonball, I think we bought the stools we were sitting on, anyway we also last month had dinner at the Post, turkey with all the fixins (Which was EXCELLENT Lynn) and a couple drinks each, with a band for entertainment and we almost spent \$30.00, whenever we go to dinner someplace and have a drink or two I always gain a whole new appreciation for our club. Please help us keep going on...

Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
