

JUNE BULLETIN

And now we roll into summer, there will be days when it gets exceptionally warm and you are just feeling antsy and uncomfortable... slide into your Veterans Club and enjoy our forced air cooled canteen and some camaraderie with your fellow members.

I was informed they will be pressure testing the pipes that were relined behind the building on June 5th and that the fence will be coming down soon after. I know it has been frustrating and I thank all the people that cooperated and worked with me during this trying time.

Flag Day Parade June 2nd, come on down and see all the festivities the parade has to offer, there will be burgers and dogs available in the Canteen when all is said and done.

The VFW/ Legion Auxiliaries will be having breakfast on Fathers Day from 9:30am to 12:30pm, come on down and have an eye opener and groceries on dads special day!!! And since it will probably be in the mid to high 90's it is a great time to enjoy some of that forced cooled air pouring out the vents in your Canteen... As our friend/advisor Mr. Guy Dunham always says, "There is no need to enjoy breakfast and cocktails with a case of 'swamp butt' when our Canteen air conditioning is flowing strong!!!"

We have had more than a few new members come in and join our Veterans Club, help us make them feel welcome when you see them milling about, they have history and several are still active duty with very interesting stories to tell.

And now we will add a short segment that will be appearing in the bulletin called "Critics Corner" this will be a recent movie that has come out and you may be on the fence of whether to see it or not, just another free service provided by your Veterans Club...

And this month is.... "Solo, a Star Wars Story"... ARE YOU KIDDING ME! What a desperate attempt to milk the good name of Star Wars with a sub-par back story of one of it's most beloved characters. I think we all could have waited for the next legitimate movie to come out as opposed to this Young Sheldon type spin-off of a desperate attempt to scratch a few extra dollars off a Branding Giant!!! It is rated a GENEROUS 2 popcorns out of 5, only because of the little bit of back content it does fill in. Make sure you check next month when we also add in the movie theaters biggest boom for your buck segment.

I would like to take the opportunity to welcome back Sylvia & Salvadore who will be performing in the Canteen on June 22nd. For those of you that have been here with me a while they have appeared about 10 years back and have recently agreed to perform regularly in the Canteen for our Veterans Club Members, they are exceptional people as well as performers, come see them you will surely enjoy it as well as the both of them. Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
