

FEBRUARY BULLETIN

IT'S TIME FOR THE FINAL GAME OF THE SEASON...SUPERBOWL SUNDAY!!!!

February 4th we will be watching the final football game of the 2017 & 2018 football season.

There will be a culinary tailgate of groceries available with drink specials, a raffle bonanza riveled only by our very own golf tournament and extracurricular festivities taking place from 1:30pm till end of game, if last year tells us anything the game is never over till it's over. Remember the 23 point deficit overcome in the last quarter of the game to throw our pools into a tailspin!!!!

For those of you who do not know who the competing teams that you will be viewing are the Patriots of New England against the Eagles of Philadelphia for the title of Super Bowl Champion...

In honor of Lady & the Tramps 60+ year release date we will be having Spaghetti & Meatballs on Valentines Day Wednesday February 14th. Don't go to no fancy digs for groceries to spend a fortune in a crowded restaurant, come push a meatball to your sweeties side of the plate and share the warm experience of your Veterans Club with the love of your life..... or US!!!

Unfortunately we will not be having lunch on February 10th. I am hopeful nutrition will be obtained through a pizza order... if the room coordinates a purchase, I will be up north on pertinent business. Please re-read the last line...

It seems everyone is getting over the congestion and cough due to cold virus that was moving its way through the Post, as well as the Christmas expenditure disease that hits us all around November and takes a few months to absorb the shock of how costly holidays have become. No real casualties reported, I will keep you posted.

There is no real change on the work being done behind the Post, when it gets closer to completion, around the end of May, I will have more specific dates for you. It is really just a slight and temporary inconvenience, there is plenty of parking just across the street, I would like to see people be more courteous and stop trying to jam a car someplace that only blocks or creates a safety hazzard for your fellow members. It isn't so much different then parking and going into the mall or a store but people seem to be spending more time trying to screw up the parking lot then being "Veteran Friendly" and making sure they don't cause a hazzard. Anyway please try and be courteous to others, in the next 4 months there are only 7 days that will be of any consequence at all and only 1 is a Friday the others are Saturdays that are more then 75 guests at 4pm or later.

Now as I slide my soapbox back into the closet till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
