

OCTOBER BULLETIN

Well our Golf Tournament is finally here!!!! Check your tee times at the sign in book or they are posted in the Canteen in different areas. There are UNBELIEVABLE raffle prizes as always and tickets are available at the bar, you DO NOT need to be present to win and you may find out you hit for a 2 night stay at LaJolla beach and Tennis club, or a stay and golf at Sycuan or dine and stay at The Colonial but you don't have a chance to win anything if you don't buy tickets!!! Take my word for it, purchasing tickets definitely improve your odds of winning a prize!!!

Also there are tickets available for our Annual Veterans day Dinner but only a limited number of them are offered. If you attended in the past you know the meal is outstanding and it supports your own organizations so open the wallet and grab an amazing dinner that you wouldn't be able to look at anywhere else for twice the price!!! Your Veterans Club offers outstanding deals all the time but if you don't take advantage of them you will never know. Give your taste buds a treat and come out for a few events!!! Just a reminder our Halloween Party is on the 30th with Karaoke and fried chicken dinner so beat the crowd and celebrate with your fellow veterans on this fun day!!! Prizes and drink specials will be rolling!!!

Well here we go with our movie and grocery area of the month and it can be summed up in one word... Cineopolis!!! I had the opportunity to see an outstanding movie called "Hustlers" starring Jennifer Lopez who did a GREAT job in the film as well as have some amazing food in the same area at a restaurant called Davanti, they give some of the best service I have ever been offered! Each person was so happy you thought they may know a secret about lottery numbers or something, remarkable service and food, the absolute only thing that was better was the company I was with, the theater seats are leather recliners and the popcorn actually tasted like it wasn't swept off the floor 20 minutes ago. I know what you're thinking, oh my goodness Mr. Corner, I can't live the life of luxury you are describing... YES YOU CAN! The movie was under \$18.00 a ticket which is about \$5.00 more than Parkway Plaza but you don't stick to the floor or your seat, and the restaurant was unbelievably reasonable. There is a saying, you can't take it with you, splurge that extra double sawbuck and instead of saying you enjoyed the movie you can say, you enjoyed the experience!!! I'm throwing you pearls here so instead of playing marbles with them put together a necklace and enjoy an evening out with that special someone... even if that special someone is yourself. Let us get to some ratings, for the movie "Hustlers" I give it a solid 3 ½ popcorns, with an extra ½ star just for the recliners and the ability to press a button on my theater seat and have a waiter spin over to fill my order like his feet were on fire. And as for the restaurant I give it a solid 4 stars for the food and the service, they are amazing over there!!!

I try and pass along some tips for you to get out and enjoy yourself at a reasonable expense, truth be told the best deal you can ever come across is right here at your own club... the drinks are inexpensive and the food that is served is always exceptional. You can get a home cooked meal and a couple adult beverages to wash it down and still get change off a \$20.00. Please remember to show your bartenders and servers who are volunteers, as well as fellow members your appreciation These people are not paid and this place does not open its doors without them, I know people don't think about that but believe it like angels were singing it, they are the reason we have a Canteen and special events that people can afford to even go to, try going out and ordering a dinner and drinks, the only thing a 20 will get you is someone saying, Keep digging sir, that will cover the tip. Now as I slide my soapbox/movie seat/restaurant booth, back into the closet/upright position till next month, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
