

MARCH BULLETIN

Well here we are again, another month under the belt and that much closer to Christmas... I'm spinning a curve ball by you this month and mixing up our Saturday entertainment with a band on the 7th of March from 7pm – 10pm, the band is called WiseGuyz. If it sounds familiar they played here for New Year's Eve in the Canteen. The band plays a good variety and people liked them when they last performed so we are looking forward to it. We are trying all different kinds of things over the coming months to see what people like and will come spend money and enjoy themselves. Just a heads up, the music is a little faster and louder than our bands on Friday so if you don't care for that then maybe Friday is the days to try, many members have wanted something with an extra bounce and in an effort to satisfy all our members here it is. This might not be your cup of tea but it certainly is someone's with how the register rang last time they were here, and as you all know without the register ringing there is no way the doors stay open, some people tell me they don't drink anymore or are on a special diet now, if you like coming over and enjoy getting out as well as the atmosphere provided it never hurts to put some money in an envelope and make a donation so you can continue to have some place to go where you can party and mingle with friends and not have to spend a fortune each week. Just a quick reminder, don't forget to "Spring" forward on March 8th when we turn our clocks ahead 1 hour.

Anyway on to the restaurant scene, we have an old favorite that many of us use to patronize and maybe it has fallen off your radar but it is worth visiting again, I'm talking about Bully's East...

I've hit it a few times for Sunday breakfast and a nice dinner and enjoyed the experience as well as the food immensely!!! Breakfast was well prepared, it isn't like any restaurant lays their own eggs, grows the potatoes or butchers the pig but the preparation is executed well. Dinner was quite enjoyable, the steak was cooked perfectly but more noticeable was the fish wasn't overcooked and rubbery. We enjoyed our before meal drinks and got out of there with a wonderful experience and didn't have to pull a second mortgage when the bill came. Also a shout out to the wait staff they were great!

And now as I put my soap box back in the corner for another month and open a booth up for another patron, until next time, don't forget to take your vitamins, say your prayers and I'll see you around the corner.
