OTHER INFORMATION:

In recent years, interviews with teachers and school leaders have indicated that teachers are often reluctant to encourage participation in our scholarship competition if they are required to take class time to have their students all complete entry forms and record their scripts. For this reason, **we offer the teachers the following options:** Teachers/youth leaders are encouraged to simply use Voice of Democracy as a written patriotic exercise. The teacher/leader has the option of:

1. Submitting all scripts and recordings to the Post for judging. Or:
2. Conducting a judging within the group and advancing one winner for every fifteen (15) participants.

Which option above is used is ultimately the decision of the Post chairman, working closely with the teacher, school official or youth group leader."

What does this mean? If the school takes option 2, then the Post may advance those winners provided by that school in addition to any other essays judged by the Post. To do this, get a list of all students that participated in the school competition on school letterhead. The Post then can take credit for all the students that participated at the school. Remember, 1 student may be selected for every 15 participating, same as at the Post level.

ADVANCING POST WINNERS: Posts may advance one winner for every fifteen (15) entries.
